## **1688662020**

A Las Vegas family who dialed 911 after they saw '10-foot aliens' in their backyard have since been inundated with trespassers eager to see the supernatural beings. But the Nevada household is armed with guns - and they have threatened to shoot any UFO sleuths who come too close, their attorney has warned. This comes after police installed high-tech surveillance cameras on their roof in an attempt to keep intruders out.
